

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

About Google Book Search

Google's mission is to organize the world's information and to make it universally accessible and useful. Google Book Search helps readers discover the world's books while helping authors and publishers reach new audiences. FOC

OF THE

LOUISIANA STATE LIBRARY

LAW DEPARTMENT.

**COMPILED BY
ALBERTINE F. PHILLIPS,
LIBRARIAN**

1905.

In compiling this catalogue of the Law Department of the Louisiana State Library, my object has been to place before the members of the bar of our state, as well as those of other states, who may have access to it, a better and more comprehensive arrangement of the books contained therein.

I have given the list of laws as they are bound, and I think this will assist in locating anyone of the various states and years required. Some will be found to overlap each other.

RULES.

Any suggestions for making the Library more useful are invited, and any reader having cause for complaint will greatly oblige the Librarian by reporting the facts personally, or by note.

1. These rules shall be publicly posted in the Library and a copy given to every borrower, and no violation of them will be excused on the plea of ignorance.

2. The Library shall be kept open from 9 a. m. to 5 p. m., daily, except Sundays and legal holidays, and during the summer months until 4 p. m., on Saturdays to 12 m.

3. Judges of the various courts, members of the bar of Louisiana, registered in the Library register (in good standing), may borrow books, same to be delivered to them only on personal application, or on written order, by which full responsibility for books so delivered is assumed. No book shall be lent by a borrower.

4. The Library shall be free to all conforming to these rules; but no reader in the Library can retain any book required for immediate official use by State officer or court. Reading not permitted in the French Library or duplicate room.

5. No one shall withdraw from the Library more than six books at a time, and these must be returned before others can be had, nor keep them any longer than two weeks without renewal; said renewal being for one week longer.

6. No borrower shall keep a book or books more than two days after notice from the Library that it is wanted. Thus: Notice sent May 7th allows May 8th and 9th in which to return books.

7. Any book unreturned after fifteen days notice, shall be considered lost, in which case the borrower shall pay its value.

8. Notes, corrections of the press, or marks of any kind on books are forbidden. Books are assumed to be in a proper condition when issued, and the borrower shall be held responsible if a book be found mutilated or injured upon its return.

9. All loud conversation is forbidden. The use of tobacco and smoking is strictly prohibited.

10. That any rules necessary to protect the State Library against loss, injury or inconvenience to readers may be enforced, and that any borrower refusing or neglecting to conform to any of these rules, or failing to return promptly and in good order any book loaned them, shall forfeit all privileges in the State Library.

By order of Secretary of State.

LAW TERMS.

The Law terms were originally timed by the Church festivals from which they take their names.

By Act 1, Williams IV, it was provided that in A. D. 1831, and afterwards, the terms shall commence and end as follows:

Hilary Term.....January 11th to January 31st.

Paschal or Easter Term.....April 15th to May 8th.

Trinity Term.....May 22d to June 12th.

Michaelmas Term.....November 2d to November 25th.

By the Judicature Act of 1873, the terms above mentioned have been abolished as to the administration of justice.

"The division of the legal year into terms shall be abolished, so far as relates to the administration of justice; and there shall no longer be terms applicable to any sitting or business of the High Court of Justice, or of the Court of Appeal, or of any Commissioners to whom any jurisdiction may be assigned under this Act, but in all other cases in which, under the law now existing, the terms into which the legal year is divided, are used as a measure for determining the time at or within which any act is required to be done, the same may continue to be referred to for the same or the like purpose, unless and until provision is otherwise made by any lawful authority." (Judicature Acts, 1873-75, p. 28).

*Although Charles II did not ascend the throne until May 29th, 1660, his regnal years were computed from the death of Charles I, January 30th, 1649, so that the year of his restoration is styled the twelfth of his reign.
